***Inc.* 5000 Ranks ThomasArts 233 in the Industry Nationwide**

Leading Utah Marketing Agency Ranks 2565 Overall with 92 Percent Growth

Farmington, Utah – Sept. 23, 2010 – ThomasArts, a direct growth marketing company that offers clients superior service with proven results, announced it has been named to the *Inc.* 5,000 list of fastest-growing private companies in the country. ThomasArts joins a prestigious list that has included companies such as Microsoft, Under Armour, Oracle and Visa. *Inc.* listed ThomasArts as number 233 in the country in its industry, with 92 percent revenue growth in 2009. The company ranked 2565 overall.

“In a time when many advertising agencies are experiencing challenges, ThomasArts is positioned for growth,” said Dave Thomas, CEO of ThomasArts. “We are honored to receive such a prestigious national award, and I’m proud of the dynamic team who has enabled ThomasArts to get to where we are today.”

For more than 30 years, the *Inc.* 5,000 list has spotlighted the significant accomplishments of enterprises nationwide. The 2010 list stands as a testament to the creativity, resilience and tenacity of America’s top entrepreneurs who harnessed growth in a difficult economy.

Dave Thomas considers the growth of ThomasArts a result of his “Entrepreneurial Marxism” theory. His strong advertising background at EvansGroup and Publicis Groupe drove him to develop a small agency numbering from “no more than 10 employees” to a team exceeding 130 industry professionals in three offices across the nation. Each employee excels in a specific role, as well as the title of “Problem Solver.” This unique addition to each employee’s signature shows the agency’s unified commitment to finding the most effective solution for each client and campaign by maximizing their end-to-end offerings. “Since the agency was founded, our people have been helping clients achieve success in their diverse markets,” said Thomas. “By giving our clients the marketing expertise they need to thrive, the ThomasArts Management Team believes we are better able to help them adapt to the changing industry of tomorrow. The sincere desire and direction of each team member at ThomasArts has gotten us where we are today.”
